I attended the live stream and honestly it is because of you.

I have made more than \$20000 in affiliate commissions and just made \$922.66 today as a prize.

I live in Nigeria. My story will blow everyone's mind if they hear it.

Thanks, Jason.

How Daniel Madu Makes Over \$20k With Affiliate?

The screenshot shows a dashboard for 'SELF-EDUCATION Revolution PROJECT NEXT'. The top navigation bar includes links for Dashboard, Calendar, Assets, Prizes, and FB Group, along with a user profile for Daniel Affiliates. The main dashboard area displays several key performance indicators (KPIs) for the period of July 28, 2020, to July 28, 2021:

- 1,856 Unique Hits
- 907 Unique Opt-Ins
- 54 Sales | \$14,924.20
- \$2,213.00 Recurring

A video thumbnail is visible with the text 'Watch this video:'. At the bottom, there is a notification about Facebook Ads safe links, stating 'Running Facebook Ads? Switch your links to FaceBook compliant links'.

- Daniel lives in West Africa. Had no stable income, never built an online business, and lots of challenges with everything from power, to Internet, and money
- He learned launch jacking with Groove
- Made over \$20k with one launch!
- He had ruthlessness... and wanted \$20k. But just needed a clear process and guidance to follow.

Daniel Madu's Launch Jacking Notes

Jason Caluori, I am starting to get some results from a product page I did a couple of months ago. The site is climbing steadily. Looking forward to a consistent flow of daily commissions.
