## **IS THERE A WOMAN IN YOUR NEIGHBORHOOD WHO COULD USE A BOOST FOR MOTHER'S DAY?**

We tend to think of Mother's Day only for our biological mom but the fact is that there is likely at least one female who lives near you that acts as the "Neighborhood Mom" or "Community Mom."

She may be someone who has a family or have no family at all. She may be younger or older. She is kind, full of empathy, and always willing to care for others, listen to them, and support them. She may be involved in your children's or pet's lives and feels fulfilled through volunteering and even organizing neighborhood events.

## **WHY CELEBRATE YOUR NEIGHBORHOOD MOM THIS MOTHER'S DAY?**

Let's face it; Neighborhood Moms get left out of the Mother's Day celebrations. No one takes them out to dinner or to a nice brunch, or even gives them a card. Although it's true that they aren't your mother, the motherly things they do for you and your neighbors are given from their heart with no expectation of anything in return.

What they do are the exact same things that mothers do for their family! So let's extend the definition of Mother's Day this year to the Neighborhood Mom on your block.

## **WHAT HAPPENS WHEN YOU ACKNOWLEDGE YOUR NEIGHBORHOOD MOM?**

When you acknowledge your Neighborhood Mom this year, you cause a ripple effect in her life. Yes, she wasn't looking for acknowledgement BUT when she gets it, it opens up her heart even more. It's like her heart starts to blossom. The same thing happens to you when you are acknowledged for something no one ever acknowledged you for before.

Your Neighborhood Mom takes down a small boundary she may have in her heart when she is acknowledged with a gift. There may have been a boundary there that prevented her from giving more and feeling more connected to you. So giving a gift can open the floodgates of her love and kindness to you – even more than what she does now.

It's up to you whether or not you give her a gift. But when you do, you are opening up your heart to her as well. And if she's someone who doesn't have family in her own life, your gesture will be recognized by Heaven as a true act of kindness.

## **GETTING A MOTHER'S DAY MUG FOR YOUR NEIGHBORHOOD MOM**

A Mother's Day Mug for your Neighborhood Mom is one of the easiest gestures you can make to show appreciation for what she does for you and your household. It's very affordable; yet it's something that she may use every day. And each time she drinks coffee, tea, or hot chocolate from the Neighborhood Mom mug you gave her, she remembers your kindness. It's a gift that keeps giving.

A Mother's Day mug for your Neighborhood Mom has other benefits:

1. It shows appreciation at the right time of year.  
Her acts of kindness are motherly, and Mother's Day is the perfect time to thank her for her efforts.
2. It builds community.  
When you give a gift to someone in your community, it fosters good will and strengthens bonds between neighbors, creating a friendly and supportive community to live.
3. A Neighborhood Mom mug gift encourages kindness.  
Kindness is contagious. You give her a gift – and it makes her think about who she can give a gift to as well. The ripple effect is generosity and goodwill.
4. You brighten up her day with an unexpected gift.  
She never would have expected a Mother's Day gift from you but she receives one! This is the making of an exceptional and memorable day.

5. Giving her a token of your gratitude enhances relationships. Your gift also helps to build trust and establishes a bond between you, making it easier to communicate and collaborate in the future.
6. It sets a positive example. You show others that kindness and generosity are important values to uphold and they can make a positive impact on the community.
7. It's fun. Choosing a mug to give is always fun and can be creative as well. Maybe you'll stuff a small teddy bear inside the mug or fill it with sugar-free chocolates. The possibilities are endless.
8. It boosts your own well-being. You feel a boost in your mood and a greater sense of purpose and fulfillment. You feel happier as a result.
9. You could celebrate diversity. Your Neighborhood Mom may have any ethnic background. And giving her a Neighborhood Mom Mug can open the door to learning more about each other's cultures and traditions.
10. You can give them any time of year. Since Mother's Day technically does not include Neighborhood Moms – although it should – you can make your own Mother's Day for your Neighborhood Mom. Make Neighborhood Mom Day any day of the year you choose it to be. It's the act that matters most. So if you happen to have already missed Mother's Day, get the mug and give it to her anyway!

With all this in mind, take some time to browse through our catalog of Neighborhood Mom Mugs for Mother's Day (and beyond). We're sure you will see one that resonates with your relationship with your Neighborhood Mom.

And it's also possible you may end up finding two or three for a few different Neighborhood Moms!
