

100 WAYS

to use essential oils

For rollerbottle applications

Add 1 part essential oil to 2 parts fractionated coconut oil to a rollerbottle. Roll on back of neck, chest, feet, and other areas of concern.

For topical applications

Add 2-4 drops essential oil to about a tablespoon of fractionated coconut oil and apply to feet, chest, and areas of concern.

PRACTICAL USES FOR RADIANT, HEALTHY SKIN AND HAIR

HAIR AND SCALP

1. For a soothing scalp massage— apply a drop of Lime, Peppermint, Rosemary, Melaleuca, Basil, Jasmine, or Roman Chamomile to your fingertips and massage onto your scalp
2. Add a drop to shampoo to improve the look of your hair—Sandalwood, Geranium, Lime, Clary Sage
3. For healthy, shiny hair during the damaging heat of summer—apply a drop of Ylang Ylang or Sandalwood to the palm of your hands and rub throughout your hair
